

EZ Lite Remote™ Electric Ignition System

thermOweld's EZ Lite Remote™ is the latest technological advance for thermOweld® exothermic products and the entire industry! For over 50 years, thermOweld® has been developing and inventing products and practical solutions that have become "The Contractor's Choice" worldwide.

With our patent-pending EZ Lite Remote™, the contractor, installer and distributor has versatility and ease-of-use in hand:

Use your existing thermOweld® EZ Lite® molds and weld metal you have today in your truck, at the jobsite or on your shelf!

- Use your flint ignitor or the EZ Lite Remote™ and never be stuck out on the job!
- Have 100% confidence that you will get your connections done when you want!
- Never worry about product obsolescence or dead inventory issues!
- Get it all only from thermOweld®!
- Reliable patent-pending ignitor – 100% guarantee to ignite.
- No starting material needed.
- Use with existing thermOweld EZ Lite® molds and weld metal.
- Triple convenience features – EZ Lite® top light, side vent molds + remote option + famous standard thermOweld® weldmetal reliability.
- Quick ignite – no waiting, no guessing.
- Replaceable Alkaline "D" batteries available everywhere give 100's of connections.
- Built-in Battery Life Indicator.
- Separate On/Off and Operate buttons.
- Standard six foot heat-resistant cord and connector, optional lengths available.
- Same Day Service - industry-leading jobsite supply and support only from thermOweld®.
